## You Want the Best for Your Horse

You're getting the best with Brandenburg's **GOLDSPAN® champ**. **GOLDSPAN® champ** is all about hygiene, health and getting the most out of your money. Renown breeders and horse lovers from around the world use Brandenburg's proven bedding products in their horse stalls. The equestrian outfitter Schockemöhle has used **GOLDSPAN® champ** for years, and is convinced of the high quality of the products.

**GOLDSPAN® champ** is available in three qualities: bedding, granulates, and pellets.

**Give your stall the best conditions, and let your horse shine in tournaments and events.**

## GOLDSPAN® champ – Bedding

### The Time-Tested Classic

**GOLDSPAN® champ** horse bedding: This soft, voluminous softwood bedding has been proven in all areas. Economic, hygienic, and environmentally safe, it's an outstanding solution for optimal stall cleanliness.

- Untreated softwood, free of contaminants
- Precise nutrition control
- High-volume coverage
- Economic use
- Highly absorbent odor reduction
- Almost entirely free of dust and irritants
- Highly sanitary
- Soft and safe for your horse's joints

Bedding	600 L coverage volume	80 x 40 x 46 cm
Bedding	550 L coverage volume (standard)	80 x 40 x 46 cm
Bedding	550 L coverage volume (compact)	80 x 40 x 32 cm
Bedding	500 L coverage volume	80 x 40 x 32 cm

## GOLDSPAN® champ – Pellets

### Highly Absorbent

**GOLDSPAN® champ** horse bedding pellets are highly absorbent: They can hold several times the amount of their own volume in moisture. This not only dramatically reduces the waste volume, it saves you work as well.

- Highly absorbent
- Provides a firm, safe, dry footing
- Drastic reduction in disposal volume
- Saves space in storage and transport
- Economic and efficient

Pellets	15 kg	78 x 25 x 11 cm
---------	-------	-----------------

## GOLDSPAN® champ – Granulates

### For Sensitive Horses

**GOLDSPAN® champ** granulates: These coarse shavings are repeatedly filtered and cleaned in a special process that makes them almost entirely free of dust. The granulates are therefore particularly suited for sensitive animals with allergies.

- Untreated softwood, free of contaminants
- Precise nutrition control
- Highly absorbent, lower disposal volume
- Economic use
- Soft and safe for your horse's joints
- Almost entirely free of dust and irritants – Excellent for animals with allergies
- Protects respiratory health
- Natural odor blocker

Granulates	24 kg	80 x 40 x 34 cm
------------	-------	-----------------

## Is Straw Still an Option?

**GOLDSPAN® champ** is the perfect choice. Regardless of whether you choose bedding, pellets, or granulates, compared to straw, **GOLDSPAN® champ** has a multitude of advantages for you and your animal:

- Always available no matter what season it is
- Free of pesticides, bacteria, and fungus
- Vital for precise nutrition control
- Outstanding absorbency

**GOLDSPAN® champ products promote low waste volumes – this means less work to do in the stall!**
