Only the best for your animals

With GOLDSPAN® from the Brandenburg Group, you choose to use top quality. GOLDSPAN® represents hygiene, health and economy. Many renowned trading companies, breeders, fattening operations and transporters have used the quality provided by Brandenburg for decades. The advantages over other types of bedding are clear:

- Untreated softwood, free from chemical additives
- Controlled feed supply
- Exclusively locally-sourced wood ensures resource-efficient, sustainable forestry
- Excellent absorbent properties
- Hygienic, free from pesticides, bacteria and fungal spores
- Available regardless of the season
- Extremely low amounts of dust and irritation
- Efficient use – low waste volumes
- Soft and easy on the joints
- Natural odour blocker
- Pure natural products
- Consistently high quality

A company you can rely on

GOLDSPAN® is a product range from Brandenburg. The Brandenburg Group is a family-run business in its third generation, with experience stretching back over more than 40 years and a name as a leading specialist in wood fibres. It provides the latest technology, consistently high quality, reliable delivery and many years of experience.
